

## **NATIONAL INTEREST WAIVER STATE LETTER OF SUPPORT GUIDELINES**

The following items are required to obtain a State of Kentucky letter of support for a National Interest Waiver.

1. Letter from the physician requesting that the Department for Public Health provide a letter of support for the National Interest Waiver which includes:
  - a. Description of prior service in the HPSA for a minimum of six months.
  - b. Description of how the approval of the waiver is in the national interest.
2. Letter from the sponsor which includes:
  - a. Verification that the physician requesting the National Interest Waiver is in good standing.
  - b. Documentation of need for physician's services to continue at facility/HPSA.
  - c. Description of services that physician will provide.
  - d. The effects of denial of National Interest Waiver to facility and to the HPSA/MUA.
3. Current copy of employment contract.
